**SUBJECT:** 2024 Mid-Winter Conference rescheduled

---

Though originally scheduled for Feb. 25–28, the 2024 DAV Mid-Winter Conference **has been rescheduled for March 7–10** due to a just-announced change in Congress' 2024 calendar. While the new dates are an unprecedented break from the event's traditional week after Presidents Day, moving our most highly visible demonstration of DAV's dedicated advocacy will ensure our members and supporters are able to meet their elected officials face-to-face while Congress is in session.

The conference will still take place at the Crystal Gateway Marriott in Arlington, Virginia, and include our national commander's testimony to a joint session of the House and Senate Veterans Affairs Committees on Thursday, March 7. Our opening session will take place later that day with various other normally scheduled workshops taking place in the days following, including our National Executive Committee and Board of Directors meetings.

Although unexpected and out of our control, I urge you all to take the necessary steps to adjust your travel plans accordingly.

With appreciation for your understanding.
